Thursday 21st December 2023

I'm sending this to all those committed to the carol service for Robert's church in Haverhill. This also includes people who said maybe, or who never confirmed either way - I hope you will be with us.

DRESS: as for all Christmas concerts (unless specifically changed):

Ladies: Coloured, long-sleeved tops and long black/very dark skirts or smart trousers.

Gentlemen: Black or very dark suits with white shirts and coloured ties.

Rehearsal

5:30pm for 5:45pm - 6:30pm. Please try not to be late.

Service

7:30pm

You may wish to bring something to eat following the rehearsal. I'm not aware that anything is being arranged for us.

Programme: See below.

In addition, there will be the usual and familiar congregational carols. I'll put folders together, complete with an Order of Service.

Please don't hesitate to ask if anything isn't clear. With that exception,
